

VEHICLE VALUES

KELLEY BLUE BOOK VALUES ANY TIME YOU NEED THEM

Quick Values delivers new- and used-car Kelley Blue Book® Values in one environment. Simply define the vehicle by VIN or year/make/model, and get instant access to industry-relevant values for your business.

These regionalized values come from the same trusted source you have relied on for years. Pricing is based on usage, and pre-purchase packages are available to meet your specific needs. Simply go to quickvalues.com, select the package you desire, create an account and you're on your way. The more credits you buy, the lower the cost, and you can add more credits whenever you choose.

Quick Values delivers reliable, comprehensive, easily-accessible values to help you make informed, confident decisions. Features include:

- ▶ NEW! Vehicle valuations based on 134 regions
- ▶ NEW! Motorcycle values now available
- ▶ Dynamic mileage adjustments
- ▶ Paint and color-based valuations
- ▶ Simple, usage-based package pricing
- ▶ Add multiple users at no additional cost
- ▶ Immediate access with credit card payment
- ▶ Print-ready valuation reports
