Description

The **Section Landing Page Hero Near-Endemic** ad unit gives advertisers a prime opportunity to reach a large in-market audience immediately.

This “can’t-miss” placement remains in a persistent location directly adjacent to the site’s primary navigation, ensuring focus on your brand. Plus it’s built to look native, creating the look and feel of natural content.

In addition, this cross-platform unit automatically adapts to the visitor’s screen size, creating a seamless experience across desktop, tablet and smartphone, increasing awareness of your message across all devices.
